SAFETY LESSON OPT-OUT FORM
Abuse Prevention & Safety Education

I do not want my child(ren) to participate in the safety lessons that will be taught during Faith Formation classes on **Sunday, February 13, 2022 or Wednesday, February 16, 2022.** I understand that these lessons will include material on staying safe at home and in public, and how to recognize, avoid, and report unwanted or unsafe touching. I will keep my child(ren) home the days that their class(es) will be receiving this instruction. We can also access 'safety lessons' online resources through www.sacredheartsparish.com/religious-ed at any time.
